## Gardener's poem:

A new year is coming!

From winter's hush, a promise breathes  
Soft as down through bare-limbed trees.

A newborn light in unspent days.

The Christmas party was a big success, I've heard enjoyment was had by all who attended.

Thank you to everyone who help set things up and help make the day go over without any issues!

New years eve party was a hit yet again!

Thank you for taking part and ringing in the new year with us.

A HUGE shout out to Dave and Janina for all their help and support with the New Year's Eve party but also all their help through out the whole year. Nothing goes unnoticed and we all appreciate you both very much. Also, a big thanks to Angie for working her magic with the drinks station.

Yet another big Happy birthday to Murray. Triple digits! Congratulations.

Happy new year everyone!
