April Birthday Bunch

Best wishes from everyone at Ayre Manor.

The birthstone for April is the diamond which is commonly associated with love. While white diamonds are most common, fancy colored diamonds can be found in various colors including yellow, blue, and pink.

April 10th — 16th is National Volunteer Week

Please help us by extending a **HUGE THANK YOU** to all the Volunteers that Ayre Manor has.

We have people who volunteer in the garden club, cooperative scrabble, movie nights, The Recreation Department, tuck shop, all of our Board Members, dog visits, some entertainment, local organizations and students from the local schools.

From the bottom of all of hearts. Thank you very much!
