I am raising money in support of the Alzheimer society by participating in the IG wealth management walk for Alzheimer's in Victoria on Sunday May 25th. Dementia is the fastest growing health care issue of our time. As more and more people are impacted there is an increasing demand for Alzheimer society programs and services. Services that make all the difference in the way that people are able to manage the disease and live life to the fullest. My goal is \$500. Thank you for whatever donation you can make. No matter how small or big, you are making a difference in the lives of people affected by dementia.

In support I will also be walking "1 Mile a day in May". Around the building, if you see me out there give a wave or even join me for a lap 😊

Thank you for supporting me in raising awareness and funds that will make a difference in the lives of people living with dementia, their caregivers and families.

Gardener's poem:

In Ayre garden there is always
sunshine,
Good will and blessings too.
Rising in a cloud of joy
To descend from the sky so blue.

All who wander through the garden,
Breathe the welcome air of May.
Enjoy the colours that invite your
gaze
And look for Rosie; she is sure to
make your day!
