Gardener's poem of the month:

October! October!
There's magic in the name.
A clear sky, a blue sky,
And sunsets all aflame.
October! October!
The birds sing with swelled throats;
A long song, a last song,
Of tender parting notes.
October! October!
The hills are all aglow
With red leaves, with gold leaves,
That dance when soft winds blow.
October! October!
I love you more each year;
Your warm days, your soft days,
To me they are most dear.
